

TAKE CONTROL ANYWHERE

Let's grow together®

With the CHORE-TRONICS®
Mobile App and BROADCASTER™
Alert System

Count on Chore-Time for
experience, reliability,
performance and confidence.

You Are in the Know and in Charge at All Times

Get remote control of poultry house fan speeds, sprinkler zones, drinking water levels and more with the CHORE-TRONICS® Mobile App. Add our BROADCASTER™ Alert System, and you will be quickly notified of alarms from your control system. Notifications are sent directly to your mobile or landline phone.

CHORE-TRONICS® Mobile Solutions Put You In Complete Control

CHORE-TRONICS® Mobile App

Control your poultry houses from anywhere with the Chore-Time CHORE-TRONICS® Mobile App for your Apple® iOS or Android™ mobile phone or tablet. It is also available for devices using the Windows 10 operating system. The app uses a mobile server to communicate with your house control system whenever you need information, wherever you go.

Current Conditions

The current conditions screen gives you instant visibility of critical information in all of your houses. You can monitor all settings and make adjustments on the fly. Examples of settings include:

- Set Temp
- Avg Temp
- Switch Status
- Graphs
- Static Pressure
- House RH
- Air Speed
- Outside Temp
- Spare Temp
- CO₂ Sensor
- PDS Drinker Pressure

BROADCASTER™ Alert Notification System

Receive alerts on the go through call or text notifications with our optional BROADCASTER™ System. Stay informed of changes in your poultry house environment, and take action on the spot to protect your investment.

Up to eight alert inputs are available in the BROADCASTER main box. More inputs may be added with an optional auxiliary box. In the event of an alert, the unit will contact each number on the notification list in order until an acknowledgement code is entered.

Notification Options

- Notification list of up to 10 numbers
- Landline and mobile phone voice messages
- Mobile phone voice message
- Mobile phone text message
- Output available to connect external siren or light
