

# Directional Curved Inlet Installation Instruction Manual 50378-5 (46") & 50726-5 (44")

## Assembly

**Caution:** Do not use a metal hammer for assembly. Use of a metal hammer could result in damage to the inlet housing.

1. Using a rubber mallet, tap the corner sections into the short sections.

2. Using a rubber mallet, tap the short sections into the long frame.

3. Using a rubber mallet, tap a pivot pin into the Inlet.

4. Position the Louver onto the pivot pin.

5. Using a rubber mallet, tap the other pivot pin through the frame & into the hole in the Louver.

**WARNING!**  
Use of a metal hammer could result in damage to the inlet housing!

## Installation

Making sure all four corners are tight together, mount the Inlet into the framed opening of 13.5" x 46.5" with a bead of caulk to ensure a good seal. Use six 2" Screws (**Item 1, Figure 1**) to secure the inlet to the wall.

**Caution:** Do not over tighten screws. Tighten them until flush. You do not want to dent the housing.

Item	Description
1	2" Screw
