

Breeder Feeders

Every. Day. PERFORMANCE.™

ULTRAPAN® Pullet and Breeder Feeder

Chore-Time ULTRAPAN® Feeders are specially designed for use with breeder pullets and breeder hens.

- » Round pan feeders give birds more eating space and greater eating comfort.
- » Birds have less eating-time stress and can move easily to feed and water.
- » Birds are not exposed to moving parts of equipment.
- » Every day feeding is easily accomplished.

REVOLUTION® Rooster Feeder

Chore-Time's eight-spoke REVOLUTION® Feeder Pan Assembly provides broiler breeder producers with unique options for feeding roosters.

- » Scalloped grill provides the ultimate in comfortable feed access for roosters, with plenty of head room.
- » Adjust the feed volume in all pans from a central location using the feeder's actuator system and rotary gates.
- » Rugged plastic pan design and 8-spoke plastic grill.

GENESIS® Breeder Feeder

The Genius of Chore-Time's GENESIS® Feeder Is How It Multiplies Feeding Space.

- » Patented with additional patents pending.
- » Multiply your feeder space.
- » Simultaneous feed at every pan and every feeding space!
- » Reduced feed waste adds up to real savings.
- » Uniform quality feed ration.
- » Separate male feeding; pullet model also available.

ULTRAFLO® Breeder Feeder

- » Option of "hens only" or "all birds" grill. Easy to operate, no feed level adjustment needed.
- » Auger connectors make it easy to join ends of auger.
- » Motor shield covers motors for extended life and makes cleaning easier; helps keep hens from roosting on motors.
- » Hardened elbows are available as an option where high-calcium rations are being used.
- » Elbows withstand corrosive ingredients better, and provide longer life.
