

Broiler Feeders

Every. Day. PERFORMANCE.™

LIBERTY® Broiler Feeder

- » **ALL-OUT™ Flooding from Any Height**
- » **Designed to Save Feed**
- » **Engineered for Comfort**
- » **Easy Cleaning and Maintenance**

LIBERTY® Open-Grill Broiler Feeder

In the flood position birds can easily see the flowing feed. The scalloped grill edge is just 64 mm (2.5 inches) at its lowest point.

No windows to restrict the feed flow means that feed in the LIBERTY® Feeder is more visible and heaped high for young birds.

LIBERTY® Feeder Specifications

	Birds Per Feeder	Feed Cone Color
Broilers (to 2 kg / 4.5 lbs.)	60-90	Silver
Broilers (to 3.2 kg / 7 lbs.)	55-75	Silver
Broilers (to 4.1 kg / 9 lbs.)	45-65	Silver

Chore-Time's Model C2® PLUS Feeder

Every. Day. PERFORMANCE.™

SHALLOW PAN
64 mm (2.5 inches)

STANDARD PAN
76 mm (3 inches)

EXTENDED FIN
76 mm (3 inches)

Shorter pan height results in easier access for chicks and small birds.

Still available for those accustomed to using this model.

Fixed feed height at bottom helps maintain feed flow at all times regardless of pan height or litter level; more interior space improves flow for harder flowing feed.

Other Feeder Features

- 1/3 or 1/2 HP 348 RPM power unit.
- 230 volt 50/60 Hz 1 or 3 phase power.
- Pans hang for cleaning.
- Removable top option and slide shut-off available for all models.
